

Bending Light Science Challenge

This is a family science challenge.

You can do it on your own or together with your family.

Watch this video to learn how light bends:

Then choose your challenge:

Chilli Challenge

-  • I can test how to make a drawing “turn round” through a glass. (WS1b)
-  • I can predict what will happen with different drawings or different glasses and test my predictions. (WS4p)
-  • I can record my predictions and results, and write about what I observed. (WS6k)
