

## **Sports PE and Sports Provision Spending Plan 2021-22**

The aim of this funding is to improve the Physical Education (PE) and Sports programmes offered by primary schools, and is provided jointly by various governmental departments, including Education, Health and Culture, and Media and Sport. Although the funding will be allocated to primary school head teachers, it will be 'ring fenced' – this means it can only be spent specifically on PE and sport in schools. **The indicative funding for 2021-22 is £17,840** 

#### **Purpose of funding**

Schools must spend the additional funding on improving their provision of PE and sport, though how they do this remains their decision.

#### This is how Longsight Community Primary plans to use the funding:

- 1. Two internal sports coaches to deliver high quality outdoor PE lessons and provide CPD opportunities for teachers through model lessons
- 2. Paying for professional development opportunities for teachers in PE and sport. Providing cover to release primary teachers for professional development in PE and Sport, through cluster training where possible
- 3. Internal coaches deliver afterschool clubs with a high focus on sports to include a wider range of sports after school, including football, dodgeball, cricket, netball, hockey, basketball and tennis
- 4. Providing free places for pupils on after school sports clubs. Schools are free to determine how best to use this funding to improve the quality and breadth of PE and Sport provision, including increasing participation in PE so that all pupils develop healthy lifestyles and reach the performance levels they are capable of
- 5. Audit current PE equipment and then purchase age appropriate PE equipment for all Key Stages
- 6. Create intra and inter school competitions across the local area where possible
- 7. Paying for transport to local swimming for any Y6 child that has not achieved 25M

#### **Accountability**

From September 2013, schools are held to account for how they spend their additional 'ring-fenced' funding. Ofsted have strengthened the coverage of PE and sport within the 'Inspectors' handbook' and supporting guidance so that both schools and inspectors know how sport and PE will be assessed in future as part of the school's overall provision.

Schools have also been required to include details of their provision of PE and sport on their website, alongside details of their broader curriculum, so that parents can compare sports provision between schools, both within and beyond the school day.

Strategy 1 Objectives: Quality of PE	Key Actions	Impact
Two internal sports coaches to deliver high	To ensure good or better lessons in PE are	Pupils will have access to high quality PE lessons that will fully
quality outdoor PE lessons and provide	delivered by sports coaches	develop their potential in a wide range of sports
CPD opportunities for teachers through	Internal coaches to provide observation	Teachers will have the opportunity to improve their delivery of
model lessons	opportunities in the form of model lessons	teacher led sessions to ensure high quality PE lessons are
		provided for all pupils. This will ensure more consistency in the
		approach to PE curriculum. All PE lessons will include; sticky
		knowledge activities; warm up activities; modelled skills; pupil demonstrations; peer assessment; and plenaries
Strategy 2 Objectives: Quality of CPD	Key Actions	Impact
Providing cover to release primary	Teaching staff will have access to further	Pupils will have access to high quality PE lessons which
teachers for professional development in	CPD opportunities where necessary	include gymnastics and dance. Teachers will be able to
PE and Sport, through cluster training	or b opportunities where necessary	confidently deliver this part of the curriculum. Thereby allowing
where possible		pupils to reach their full potential
Strategy 3 Objectives: Quality of after	Key Actions	Impact
school opportunities		
Internal coaches deliver afterschool clubs	To increase the amount of physical activity	Children have access to free physical activity to improve well-
with a high focus on sports to include a		
	opportunities for all children. Clubs will be	being. Minimum 70% of children in clubs to be PP children.
